

Southern California

| | | |
|---|--|--|
|  | Beta Engineering betaengineering.com | Turnkey substations, switchyards, and transmission lines to 500kV |
|  | DELTA STAR, INC deltastar.com | Medium Power Transformers & Mobile Substations |
|  | EDM edmlink.com | Phase measurement tool for identifying phase and phase angle anywhere in the field on your power system. |
|  | Electroswitch electroswitch.com | Instrument and Control Switches, Lockout Relays |
|  | Formet imsaformet.com | Lattice Towers for Transmission Lines |
|  | HICO AMERICA hicoamerica.com | Large Power Transformers to 2200 MVA, HV Breakers and GIS to 800 kV |
|  | Lindsey lindsey-usa.com | Transmission Line Hardware, Emergency Restoration Towers and Sensors |
|  | Myers myerspowerproducts.com | 5-38KV Metal-Clad Switchgear, Power Houses. Telecom Power Systems for Wireless and Wireline. |
|  | NGK-LOCKE ngk-locke.com | Polymer and Porcelain Substation, Distribution and Transmission Insulators |
|  | Scott Engineering scott-eng.com | Padmount capacitor banks, distribution switchgear and metering cabinets, substation capacitor banks and pole line hardware. |
|  | Schweitzer Engineering Labs selinc.com | SEL designs, manufactures, supplies, and supports products and services for power system protection, monitoring, control, automation, and metering. Solutions include comprehensive generator and transmission protection, fault indication, distribution automation and control systems, communications for critical infrastructure, and complete turn-key systems. |
|  | Southern States, LLC southernstatesllc.com | Group Operated Switches, Ground Switches, Motor Operators, Hookstick Operated Switches, Circuit Switchers, Capacitor Switches, Power Fuses and Switch-Fuse Combinations. |
|  | Taihan Electric USA taihan.com | Underground and Overhead Power Cable |
|  | Tavrida Electric www.tavrida.com | Manufactures vacuum circuit breakers and reclosers for indoor and outdoor applications, and switchgear based retrofit solutions. |
|  | Trinetics trinetics.com | Vacuum & Oil Switches, Capacitor Banks & Controls, Padmount Switchgear, Distribution Enclosures, Lighting Control |
|  | Valmont valmont.com | Steel and Spun-Concrete Transmission and Distribution Poles, Substation Structures |
